SUMMARY

Experienced Project Coordinator with a strong background from Washington University, specializing in project management and cross-functional collaboration. Proven expertise in reviewing and approving invoices, maintaining accurate data systems, and supporting the development and enhancement of programs that drive operational efficiency. Known for sharp attention to detail, organizational strength, and a proactive approach to problem-solving. Adept at fostering teamwork and streamlining processes to achieve optimal results.

EXPERIENCE

Project Coordinator, 08/2022 - 07/2025

Washington University Orthopedics – St Louis, MO

- Facilitated cross-departmental collaboration to ensure timely and successful delivery of program objectives, maintaining alignment with scope, schedule, and organizational priorities.
- Responsible for onboarding approximately 20 incoming fellows annually, guiding them through obtaining Missouri licensure, BNDD, and DEA registrations. Also facilitated their credentialing with Barnes-Jewish Hospital and Barnes-Jewish West County Hospital.
- Reviewed and approved 200–300 supplier invoices weekly in Workday, ensuring accurate cost center allocation, compliance with financial policies, and fiscal accountability.
- Maintained and managed program databases, ensuring accurate data analysis and reporting for department-wide and 12 specialty division dashboards. Generated and analyzed monthly metrics by running reports from Power BI, Tableau, and EPIC.
- Processed online deposits via banking application, maintained backup documentation, and recorded transactions in Excel for accurate reporting.
- Led continuous improvement efforts to increase program responsiveness, streamline workflows, and drive efficiency across core processes.
- Drafted, edited, and refined sensitive correspondence, reports, and documents to maintain professionalism and clarity.

- Coordinated complex calendars and scheduled meetings for four directors and the department's executive director, ensuring seamless alignment of priorities and availability. Provided ongoing scheduling support as needed for high-level leadership.

Administrative Coordinator, 06/2021 - 08/2022

Washington University Orthopedics – St Louis, MO

- Provided administrative support by managing calendars and scheduling meetings for four directors and the executive director, ensuring smooth coordination and minimal scheduling conflicts.
- Coordinated department-wide events for 90+ employees, ensuring seamless planning and execution.
- Handled high-volume phone communications, directing inquiries to appropriate personnel with efficiency.
- Supported special projects and organizational initiatives, enhancing overall operational effectiveness.
- Monitored and replenished office supply inventory to support uninterrupted departmental function.

Fiscal Services Specialist, 01/2020 - 06/2021

Shriners Hospital for Children – St Louis, MO

- Recorded and deposited all cash receipts, including donations and miscellaneous income.
- Maintained accurate records of fixed assets across hospital facilities.
- Coordinated fixed asset management with Shriners Hospital Headquarters in Tampa, Florida.
- Managed fiscal reporting processes to ensure compliance with regulations and internal policies.

Appointment Scheduler, 02/2018 - 01/2020

Signature Medical Group – St Louis, MO

- Reviewed patient medical histories prior to scheduling appointments.
- Performed follow-up calls to confirm scheduled appointments.
- Inputted patient data into electronic health record system.
- Updated customer information in database with precision.
- Greeted patients upon arrival and provided necessary paperwork.
- Generated daily reports on booked, canceled, and rescheduled appointments.
- Verified insurance information before booking appointments.
- Collaborated with team members to achieve departmental objectives.

Patient Care Technician, 05/2015 - 02/2018

Mercy Hospital Jefferson – Festus, MO

- Enhanced patient satisfaction by assisting with bathing, dressing, and exercising.
- Transported specimens and laboratory items, verifying documentation for authorized delivery.
- Prepared patients for surgery or examination by shaving and draping appropriately.
- Provided emotional support to patients and families during challenging situations.

- Delivered exceptional patient care based on physical and psychological assessments.
- Organized supplies to maintain adequate stock levels throughout shifts.
- Maintained cleanliness of patient areas through minor housekeeping tasks.
- Monitored patient intake and output, reporting significant changes to medical staff.

Sales Associate, 11/2014 - 05/2015

Gander Mountain – Fenton, MO

- Answered store and merchandise questions and led customers to wanted items.
- Developed promotional strategies to increase sales volume.
- Handled returns and exchanges according to company policies.
- Attended weekly team meetings to review performance goals and objectives.
- Worked with fellow sales team members to achieve group targets.

Sales Associate, 11/2008 - 11/2014

Dunn's Sporting Goods – Pevely, MO

- Assisted customers by addressing merchandise inquiries and guiding them to desired items.
- Processed returns and exchanges in compliance with company policies.
- Calculated sale prices, total purchases, and managed cash or credit transactions efficiently.

EDUCATION AND TRAINING

Bachelor of Science: Healthcare Management, 12/2019

Southeast Missouri State University - Cape Girardeau, MO

Associate of Arts: 05/2013

Jefferson College - Hillsboro

ACCOMPLISHMENTS

- Nominated by a peer for the Distinguished Honor Award at Washington University in recognition of professionalism, collaboration, and contributions to team success.
