PROFESSIONAL EXPERIENCE

Okta, Washington, DC

Digital Growth Associate

June 2025 -Present

- Leverage tools such as Gainsight, Databricks, Tableau, and Salesforce to track customer behavior and build reports that help improve onboarding and product adoption.
- Coded and launched Salesforce (Gainsight) email templates to scale outreach, including the new Workforce Identity Onboarding (OWI) program for Okta super admin customers.
- Optimized Okta Workflows to automate tasks and improve the delivery of digital customer journeys, making programs more efficient and secure.

Digital Success Intern

May 2024 – March 2025

- Designed, tested, and optimized email, in-app, and video programs with HTML coding and analytics to improve engagement
- Executed quality improvements for existing programs across email, personalized video, and in-app communication to increase engagement.
- Partnered with Senior Digital Growth Managers to develop a detailed strategy to optimize Okta's Workflows Adoption Program.

Sales Development & Event Registration Intern

August 2024 – November 2024

- Qualified and nurtured leads in Salesforce, supporting sales pipeline growth during Oktane.
- Managed event registration for 500+ participants, coordinating attendee experience and follow-up outreach.
- Collaborated with sales and marketing teams to optimize email-driven event communications.

Intelsat, Tyson's Corner, VA

Digital Marketing Consultant

December 2023

- Selected to extend work with Intelsat after internship, focusing on building Power BI dashboards and visual Marketo reports to communicate performance trends to senior stakeholders.
- Leveraged Looker Studio, GA4, and Excel to analyze multi-year campaign data and identify optimization opportunities.
- Recommended improvements to data collection processes, enhancing accuracy and consistency in reporting.

Digital Marketing Intern

May 2023 – August 2023

- Monitored global campaign performance (impacting 2B+ users) with Google Analytics 4 and SEO tools.
- Partnered with Marketing Operations to improve data hygiene and reporting accuracy across Marketo, Salesforce, and WordPress.
- Presented findings on campaign performance shifts following a new website launch, highlighting key data trends to leadership.

St. Jude Children's Research Hospital ALSAC, Memphis, TN

Multicultural Marketing & Business Development Intern

June 2022 – August

2022

- Researched Gen Z marketing strategies and developed a prototype app concept to boost donor retention.
- Analyzed multicultural audience data to inform engagement strategies targeting Latino and African American communities.
- Awarded 1st Place in the ALSAC Intern Innovation Competition for a Gen Z-focused donor engagement pitch.
