Career profile

I am an experienced finance professional and authentic leader with proven success of 20+ years of Commercial Finance experience delivering strong outcomes for some of the Pacific region's leading Multinational FMCG employers. In my current role as Commercial, Planning & Reporting Manager, I spearheaded the development of team responsible for all Commercial Finance as well as FP&A requirements for the Pacific Region. This involves working closely with numerous business partners (Sales, Marketing, respective Finance teams locally and Group office) to include Senior leaders (CFO's, MD – Pacific) as well as Brand partners (TCCC, Monster Energy and Fiji Water).

Personal profile

As a calm, compassionate and authentic female leader, I find it very rewarding to be part of a team within an organization that understands the value of inclusive leadership for the business and for its people. I have ability to deliver successful results with clear communication and personal accountability. I enjoy building collaborative relationships with my colleagues and influencing positive outcomes within the broader business. Smile and positive attitude are necessary skills that take you long way.
