SUMMARY

Proven Data Analyst with **2 years** of experience in analyzing and visualizing large datasets to drive **data-driven decision-making** and improve operational efficiency. Skilled in creating interactive dashboards using **Tableau, Power BI, and Excel**, and optimizing data pipelines with **SQL, Python, and Tableau Prep**. Successfully implemented a data analysis system, achieving a **15% error reduction** and a **20% increase in data accuracy**. Experienced in **data cleaning, automation of workflows**, and collaborating within **Agile teams** to deliver projects **on time and on budget**.

SKILLS

Data Analysis & Visualization Tools:	Tableau, Power BI, Excel (Advanced), Tableau Prep, Power Query
Programming & Scripting Languages:	SQL, Python (Pandas, NumPy, Matplotlib, Seaborn), R
Database Management:	MySQL, PostgreSQL, Oracle, SQLite
Data Cleaning & Transformation:	Tableau Prep, Power BI Power Query, Python, Excel (Data Validation, Pivot Tables)
Reporting & Dashboarding:	Tableau Dashboards, Power BI Reports, Excel Reports
Statistical Analysis & Modeling:	Descriptive Statistics, Predictive Modeling, Regression Analysis
ETL & Data Transformation:	Data cleaning, transformation, and structuring for analytics
Programming & Scripting:	Python, Core Java, JavaScript
Operating Systems:	Windows, Linux, MacOS
Collaboration Tools:	JIRA, Microsoft Teams

EXPERIENCE

Junior Data Analyst, Incedo inc- Remote, US

January 2024-PRESENT

- Played a key role as a **Data Analyst** with **1 year** of experience, transforming complex datasets into **actionable insights** that influenced strategic business decisions.
- Analyzed **trends** and **opportunities**, developing **data-driven promotional strategies** to enhance customer engagement and improve service offerings.
- Conducted **in-depth competitor analysis** and evaluated **market pricing models**, helping the company maintain a competitive edge in the industry.
- Utilized SQL, Excel, and Power BI to clean, transform, and visualize data, making insights accessible and impactful for cross-functional teams.
- Collaborated closely with senior leaders, gaining **high visibility** and contributing to **data-backed decisions** that shaped the company's future direction and improved operational efficiency.

Data Analyst Intern, SRI BHAVISHYA EDUCATIONAL ACADEMY - VIJYAWADA, India

July 2022 – July 2023

- Developed and implemented** a project **E-commerce Website Traffic Analysis** analyzing website traffic data using **Google Analytics** and **SQL** to track key user behavior metrics.
- Cleaned and transformed** raw data using **Python** and **Excel** to ensure accuracy and consistency for actionable insights.
- Analyzed trends** in user behavior and website performance, focusing on **bounce rates, session duration, and conversion metrics**.
- Created interactive dashboards** in **Tableau** to visualize key insights, enabling data-driven decisions for marketing and UX teams.
- Conducted cohort analysis** and **funnel analysis** to identify user drop-offs and optimize the customer journey.
- Provided recommendations **to improve user engagement, resulting in a 10% increase in conversion rates**.

Teaching Assistant, VIGNAN UNIVERSITY - Vadlamudi, India

January 2022 – June 2022

- Assisted with **System Administration, Information Security, and Data Technology** course lectures, labs, and tutorials as a **Teaching Assistant** at *Vignan's Foundation for Science, Technology, and Research*.
- Guided **students** in **data analysis, Power BI, SQL, and PowerShell**, helping them develop **analytical and problem-solving skills**.
- Conducted **lab sessions, graded assignments, and provided constructive feedback** to enhance learning outcomes.
- Facilitated **discussions on data-driven decision-making** to encourage practical application of concepts.

- Utilized **Microsoft Office, data analysis tools** to optimize coursework and student engagement.

EDUCATION

University of Cincinnati	Aug 2023 – Dec 2024
Master of Science in Information Technology GPA: 3.9/4.0	Cincinnati, OH
Vignan's Foundation for Science, Technology & Research	Aug 2019 – May 2023
Bachelor of Technology in Computer Science and Engineering	Vadlamudi (Guntur), India
