WORK EXPERIENCE

Digital Marketing Strategist

Sept 2024 – Nov 2025, Atlanta, GA

Whizkids Tech (IT Services)

- Built the company's **full-stack marketing engine** from scratch: owning strategy, content, campaigns, and sales enablement to drive predictable growth.
- Increased **marketing-sourced pipeline by 240%** in nine months by architecting a multi-channel GTM system across ICPs, segmentation, messaging, and channel experimentation.
- Improved **SQL conversion rates by 22%** by rebuilding lifecycle and outbound sequences with multi-branch logic, industry-specific narratives, and continuous optimization.
- Drove a **3x increase in Tier-1 account engagement** by executing a multi-stage ABM program using 6sense buying-stage data, intent surges and ICP-specific value propositions.
- Lifted **qualified lead volume by 32%** by developing data-backed ICP and persona frameworks grounded in behavioral insights, intent data, and historical deal performance.

Student Consultant- Marketing Analytics

Sept 2023 – May 2024, South Bend, IN

SBEAP (Non-profit Consulting) – BC Organics, Lake Bridge Consulting

- Increased **product orders by 15%** through rebranding and repositioning based on market research and analysis of 1,000 sales data points
- Improved website engagement, increasing **average time on site by 27%** and **product-page CTR by 32%** after refining content and UI based on analytics.
- Improved **customer acquisition by 25%** and reduced **churn by 10%** through creation of targeted email campaigns for TOFU and MOFU leads.
- Increased **brand awareness by 30%** on Tiktok and Instagram through a redesigned content marketing strategy.

Marketing Team Lead

Nov 2022 - April 2023, India

Grownited Private Limited (Creative Marketing Agency)

- Raised **organic traffic by 25%** and **online sales by 20%** through SEO strategy redesign and execution for multiple client verticals.
- Negotiated and managed influencer partnerships that increased **brand mentions by 15%**, supporting broader client acquisition goals.
- Improved **campaign ROI by 15%** by managing Google Ads accounts, refining audience segmentation and optimising bidding strategies.
- Analyzed campaign performance metrics with Tableau, providing actionable insights to clients, which led to a **10% increase in campaign efficiency** and a **5% reduction in marketing costs**.

Marketing Associate

Dec 2020 – Oct 2022, India

Unacademy (Edtech)

- Managed app-install campaigns on Google Ads platform generating **133,000+ cost-effective** app installations in 6 months.
- Generated **30,000+** leads in 6 months through marketing 6 live-streamed masterclasses on various platforms including YouTube.
- Recorded and supervised **60 episodes** for their YouTube series garnering **100,000+ views** in 6 months through structured content planning and distribution.
- Managed a budget of **\$40K** for influencer marketing. Collaborated with **20+** creators that generated **1M+ views** fostering engagement and knowledge sharing.
