Professional Summary

People-oriented and enthusiastic Digital Marketing Specialist with a passion for building partnerships and driving growth through innovative marketing strategies. Proven ability to leverage SEO, content marketing, and cross-functional collaboration to increase organic traffic and enhance brand visibility. Goal-driven professional who thrives in challenging environments and brings a fresh perspective to team efforts.

Education

Bachelor of Science in Business Administration

Specialization in Innovation & Creativity

University of Amsterdam (2017 – 2021)

Professional Experience

Digital Marketing Specialist

EBizCharge (2022 – 2025)

- Implemented B2B marketing strategies for a payment processing company, resulting in over 500,000 unique organic visitors across Google, YouTube, TikTok, Instagram, and LinkedIn.
 - Organized and executed email marketing campaigns using Salesforce to track and nurture leads, collaborating cross-functionally to align marketing efforts with sales and product teams.
 - Managed a content writing team and used SEO tools like Google Analytics and Abrefs to develop keyword-driven campaigns that significantly increased organic website traffic.
 - Maintained and updated company website via WordPress, optimizing content for improved Google search rankings and user engagement.
-

Volunteer Experience

Team Mentor & Coordinator

Building Homes Initiative (2014)

- Mentored and managed teams of 10–15 volunteers to construct homes for homeless individuals in Swaziland, Africa.
 - Contributed to the completion of 4 homes within a two-week period through effective leadership and teamwork.
