

Nathan 'Nyx' Turner

406-422-6239 | turnernyx@gmail.com | linkedin.com/in/nathan-lee-turner

As a dedicated STEM professional, I possess a strong foundation in both biological and mathematical sciences, complemented by robust data analysis skills. I am passionate about applying my diverse academic and practical experience to contribute to research, analytical, and scientific roles. My adaptable skill set allows me to tackle varied projects with precision and a commitment to results.

EDUCATION

Mathematical Sciences, Applied Option	<i>Bachelor's of Arts</i>
University of Montana, Missoula, MT	Graduated May 2025
Biological Sciences, Ecological and Organismal Studies	<i>Bachelor's of Science</i>
University of Montana, Missoula, MT	Graduated May 2025

CERTIFICATIONS

Google Data Analytics Professional Certificate (v2) <i>Coursera</i>	19 July 2025
Statistical Analysis with R for Public Health <i>Imperial College London through Coursera</i>	16 June 2025

WORK EXPERIENCE

Baker	Missoula, MT
<i>Morning Birds Bakery</i>	July 2025 – Present
- Prepared and proofed doughs for bagels and other baked goods. - Baked a variety of goods, ensuring quality and consistency. - Managed dishwashing and kitchen organization to support smooth back-of-house operations.	
Mathematics Tutor	Missoula, MT
<i>Math Learning Center</i>	September 2023 – May 2025
Tutored students in mathematics up to Intro to Differential Equations and Linear Algebra using differentiated instruction techniques, resulting in improved student understanding and performance	
Lab Technician	Missoula, MT
<i>United States Forest Service</i>	June 2024 – August 2024
- Managed and maintained field equipment inventory, applying organizational skills to ensure readiness for environmental research projects. - Sterilized and prepared returned equipment, upholding strict protocols to ensure sterile environments for scientific integrity.	
Intern	Butte, MT
<i>Clark Fork Watershed Education Program</i>	January 2023 – May 2023
- Performed data entry and analysis, utilizing SQL, Microsoft Excel, and R to ensure data accuracy and extract key insights. - Supported and aided educational field trips for students from elementary to high school, enriching their learning experiences. - Maintained cleanliness of equipment, upholding safety and efficiency standards for all operations.	

TECHNICAL SKILLS

- Data analysis
- Data entry
- Data literacy
- Microsoft Office Suite
- Probability
- Python
- R (programming language)
- SQL
- Statistics

VOLUNTEER EXPERIENCE

OokiiSoraCon *Helena, MT* October 2022 – present

- Performed data analysis to support convention logistics and operations.
- Assisted with comprehensive convention planning, including scheduling and resource allocation.
- Managed day-of convention security, ensuring a safe and orderly environment for attendees.

Clark Fork Watershed Education Program *Butte, MT* August 2022 – December 2022

- Assisted with field trips along Silver Bow Creek, educating participants on environmental science.
- Conducted water quality inspections utilizing sensor equipment and performed macroinvertebrate surveys.
