Education

COOP Careers - Data Analytics

August 2025 - Present

- Engaged in a 16-week fellowship program, acquiring expertise in data cleaning, transformation, analysis, and visualization using SQL, Python, and Tableau, alongside continuous professional development.
- Gained 200 hours of instruction time with a hands-on mastery of data tools, communication training, networking, and client work with actual companies.
- A highly selective program that admits underemployed college graduates from under-resourced & marginalized communities.

John Jay College Of Criminal Justice

January 2021

Bachelor of Arts in International Criminal Justice

- Relevant Coursework: Global Economic Development and Crime, Introduction to Security, Drugs, Crime, and Law in Latin America, Environmental Justice, and Principles and Methods of Statistics.

Technical Skills & Certifications

- **Certifications:** Google Analytics Professional Certificate (Coursera), Google AI Essentials Certification
- **Programming Languages & Visualization:** SQL, Excel (Pivot Table and VLOOKUP), Salesforce, and Tableau

Projects

NYPD Arrest Analysis

October 2025

- Collaborated with a team to clean and analyze 3,600 data points, revealing key crime trends across New York City.
- Built an interactive Tableau heatmap to visualize crime intensity across NYC boroughs, clearly identifying high and low-risk areas for actionable insights.
- Presented crime data to key stakeholders, proposing targeted solutions to reduce crime by up to 30% across NYC boroughs.

Work Experience

DocGo NJ/NY Health and Hospital

New York City, New York

Bilingual Administrative Assistant

April 2024 - March 2025

- Organized and processed 600+ pieces of mail daily, streamlining retrieval and improving Salesforce accuracy.
- Oversaw daily intake for 50+ patients, accurately managing sensitive data in Athena and updating Salesforce profiles to maintain location and data integrity.
- Conducted intake and registration for over 100 immigrants per shift, ensuring organized records and accurate data entry.

Zing Recruiting

New York City, New York

Bilingual Administrative Assistant

August 2023 - April 2024

- Streamlined check-in for 1,000+ daily immigrants at a high-volume shelter, and maintained data accuracy by confirming client details and photos in Salesforce.
- Flagged 50+ instances of falsified data each week and regularly communicated with the supervisor to prevent errors, contributing to a potential 50% improvement in data accuracy.
