

NIDHEY PATEL

COMPUTER SCIENCE STUDENT

PROFILE

I am a highly analytical and detail-oriented computer science student with strong programming skills and a solid foundation in algorithms, data structures, and software development. Seeking a Software Engineering job to apply my technical skills, problem-solving abilities, and passion for building scalable, efficient systems while contributing to the success of an innovative engineering team.

PROJECT

Project Management app (Serial PM)

- Building a visual-first project management framework
- It aims to consolidate timelines, due-dates, sprints, and specific needs of project managers.
- The app will offer multiple views of the same project data, allowing for dynamic updates across the teams.

EXPERIENCE

CS grader and teaching assistant

- Served as a grader for the class of data structure in my junior year.
- Been a TA for the class of computing methodology.
- Lectured about programming skills.

ACHIEVEMENT

Head of Maths & Science Department,

Chaitanya School, India : 2016 - 2020

- Leader of the educational group in secondary and high school.
- Solved mathematical and science questions on real life problems.

Joint Entrance Exam(JEE)

- One of the toughest exams of India for admissions into engineering colleges.
- Scored 99 percentile in Mathematics.

 281-903-6065

EDUCATION

SAN FRANCISCO STATE UNIVERSITY

BACHELOR OF SCIENCE IN
COMPUTER SCIENCE

EXPECTED GRADUATION -
DECEMBER 2025

SKILLS

- Java
- Python
- C++
- R-code
- SQL
- Statistics
- Problem-Solving
- Leadership
- Multi-tasking
- Strong Communication
