EXPERIENCE

Atlas Industries — Remote *Web Designer & E-Commerce Specialist*

DEC 2024 - PRESENT

- Developed and implemented a targeted email marketing campaign leveraging personalized website design elements and product recommendations, leading to a 26% increase in email open rates, a 10% click-through rate, and a direct contribution of over \$50,000 in additional company income within a single quarter.

Hemp Haven, LLC. — Atlanta, GA *Wordpress Developer & Database Management*

OCTOBER 2023 - MARCH 2025

- Spearheaded the development and implementation of a new customer authentication & reward system, resulting in a 65% increase in successful user logins and a 15% increase in customer sale revenue.
- Enhanced website SEO performance by optimizing database queries for product catalog pages, resulting in a 40% reduction in page load times for these key landing pages, which contributed to a 15% increase in organic traffic to the website within six months of my hiring..

Marshalls Distribution Center — Lithonia, GA *Area Supervisor & Problem Solver*

AUG 2021 - SEP 2023

- Streamlined warehouse operations by implementing a new inventory management and research system, resulting in a 15% reduction in misplaced items and a 21% increase in order fulfillment speed.
- Led and mentored a team of 7 warehouse associates, consistently exceeding daily shipping targets by an average of 8% and achieving a 5% decrease in reported damages over a six-month period.
