

Nisha Jangra

Data Analytics Professional Re-entering workforce

 (469) 793-2509

 nishajangra54@gmail.com

 McKinney, TX 75071

PROFESSIONAL SUMMARY

- Results-driven professional with 3+ years of experience in software quality assurance, now transitioning into data analytics to drive business growth. Currently pursuing a postgraduate program in Data Science and Business Analytics to enhance analytical and problem-solving skills.
- Former Senior Software Engineer at Persistent Systems Ltd., with expertise in SDLC, Agile methodologies, and a strong foundation in delivering quality solutions. Took a career break to devote time to raising my son, showcasing commitment, adaptability, and multitasking skills.
- Eager to leverage my technical expertise, newfound data science knowledge, and dedication to contribute meaningfully to organizational success in data-driven decision-making.
