Professional Profile	I am currently a Manager In Training with an interest in utilizing and expanding my knowledge of management, analytics, operations, processing, and teamwork with a full-time remote position.	
Education	BS-Business Management, Minnesota State University, Mankato	December 2024
	Related Course Work: Operations Management for the Supply Chain, Managerial Accounting, Business Statistics, Management Information Systems, Financial Accounting, and Management Accounting	
Related Skills	Software Application: Microsoft 365/Excel and Tableau	
	Communication: Listen and work with customers to give them an enjoyable experience, providing and receiving input to and from work team	
Experience	Manager-In-Training, Weidner Apartment Homes, Minneapolis MN	May 2025-Present
	• Learn and understand rules and regulations of fair housing and other laws in residential rental communities • Trusted with signing and typing leases with great accuracy and efficiency • Pass managerial file, invoice, and budget audits regularly • Use my knowledge of Excel, to more efficiently record deposits and invoices on-site	
	Server/Bartender, Tavern on the Ave, Mankato MN	June 2024-May 2025
	• Trusted by owners to obtain managerial password for special money changes and transactions • Use my extensive knowledge of beverages to provide cocktail recommendations to customers based on their previously liked drinks • Pass alcohol compliance checks with 100% success rate • Using my communication and people skills, I was the only server to sell the most profitable bottle of chardonnay available at the establishment
