PROFESSIONAL EXPERIENCE

Growth Operations Specialist – PhD Bookbinding Austin, TX | 2024 – Present

- Redesigned site-wide website layout, optimized content, and coded interactive features (dropdown selector, review widget, image carousel).
- Developed a custom WordPress plugin integrating Google Search API to streamline emblem selection.
- Executed targeted cold email campaigns, automated review requests, and implemented a permission-tracking system for customer content use.
- Built and deployed an AI-powered chatbot, designed a Zapier-based AI outreach agent, and automated order tracking workflows to improve response time and accuracy.
- Produced high-quality photos and video content for marketing, managed social media accounts, and improved Facebook ad campaign performance.
- Designed a custom relational database to organize assets and collaborated on updating legacy emblems/seals for brand consistency.

Freelance Video Production

- Produced video content for diverse clients, ensuring alignment with project requirements.
- Edited raw footage into polished deliverables with strong storytelling and visual impact.
- Collaborated with clients to capture creative vision and meet deadlines.

Dock Attendant/Front Desk – Lake Austin Spa & Resort Austin, TX | 2023–2024

- Provided customer service to resort guests and assisted with dock operations.
- Handled front desk responsibilities including check-ins, scheduling, and guest inquiries.
- Ensured safety and organization of waterfront activities and equipment.

Video Editor & Content Creator – Children's Health Defense / Peeps TV Austin, TX | 2019–2023

- Edited news programs, podcasts, and promotional videos, ensuring high-quality output.
- Conducted research and fact-checking for weekly live streams.
- Managed and edited live streams across multiple platforms to optimize engagement.

- Assessed clients' needs and provided project timelines for on-time delivery.
- Verified sources and organized materials for accurate content.
- Utilized Adobe After Effects for visual effects and enhancements.
- Created and managed a website to expand online presence.
- Developed social media strategies, increasing engagement and audience growth across multiple platforms.

Delivery Driver – Austin’s Pizza
Bartender – The Richard Onslow

Austin, TX | 2017–2020
 Cranleigh, UK | 2016–2017
