Employment history

Income Maintenance Caseworker II, Dec 2024 - Nov 2025

Cumberland County Department of Social Services (DSS), Fayetteville, NC

- Process Medicaid applications for families and children, determine eligibility, and maintain case records.
- Conduct client interviews, verify documentation, and assess changes impacting eligibility.
- Collaborate with interdisciplinary teams to ensure scheduling efficiency and coordinated patient care.
- Support data accuracy and compliance with state and federal policies.
- Processed Medicaid applications efficiently, achieving timely approvals that enhanced access to health services for families and children.
- Worked closely with interdisciplinary teams to streamline client care, improving service delivery and fostering stronger community partnerships.
- Assessed documentation and eligibility changes meticulously, ensuring compliance and reducing discrepancies in case records.
- Conducted compassionate client interviews, actively listening to concerns, which strengthened trust and improved overall client satisfaction.
- Maintained comprehensive case records and ensured data accuracy, contributing to seamless audits and adherence to state and federal regulations.

Unit Secretary / Resource Manager, Jul 2023 - Nov 2024

Cape Fear Valley Hospital, Fayetteville, NC

- Managed patient admissions, verified medical and demographic data, and maintained accurate records.
- Coordinated communication between patients, care teams, and external medical facilities to ensure continuity of care.
- Oversaw supply requisition and inventory management to support daily unit operations.
- Supported patient discharge coordination and ensured timely follow-up on labs, consults, and outpatient services.
- Assisted in the implementation of the Blue Arrow Fleet Management Tool, improving departmental efficiency.
- Fostered a welcoming environment for patients and families, enhancing overall satisfaction and trust in care services.
- Streamlined patient admission processes, leading to a significant reduction in wait times and improved patient flow.
- Analyzed patient data trends to identify areas for operational improvement, resulting in more effective resource allocation.
- Coordinated with multidisciplinary teams to optimize discharge plans, ensuring seamless transitions for patients and reducing readmission rates.
- Implemented a digital record-keeping system that enhanced data accuracy and accessibility, supporting better patient care decisions.

Care Coordinator, May 2023 - Jul 2023

Optum Serve, Remote

- Scheduled medical services for TRICARE beneficiaries in alignment with MTF capabilities and contract guidelines.
- Provided education and support to military families regarding eligibility, referrals, and care options.
- Ensured service quality and compliance with performance metrics while maintaining cultural sensitivity.
- Fostered strong relationships with military families, providing compassionate support and guidance throughout the care coordination process.
- Streamlined appointment scheduling for TRICARE beneficiaries, significantly improving service efficiency and reducing wait times.
- Monitored compliance with performance metrics, implementing corrective actions that enhanced service quality and patient satisfaction.
- Coordinated with healthcare providers to optimize care plans, ensuring seamless transitions and comprehensive support for patients.
- Maintained accurate records of patient interactions and care options, upholding high standards of documentation and regulatory compliance.
- Nurtured relationships with military families, providing compassionate guidance and enhancing their understanding of care options.

Customer Service Advocate II, May 2022 - Apr 2023

Pearl Interactive Network, Remote

- Reviewed and analyzed claims, ensuring accuracy with policy provisions and regulatory requirements.
- Managed confidential client communications, documentation, and resolution of service inquiries.
- Collaborated with internal teams to improve operational procedures and policy accuracy.
- Evaluated customer feedback to identify service gaps, leading to enhanced training programs and improved client satisfaction.
- Streamlined claims processing workflows, achieving faster resolution times and increasing overall operational efficiency.
- Partnered with cross-functional teams to refine policies, ensuring compliance and reducing error rates in service delivery.
- Facilitated workshops to communicate policy changes, fostering understanding and buy-in among team members for smoother transitions.
- Provided empathetic support to clients, effectively resolving inquiries and strengthening long-term customer relationships.
- Streamlined customer inquiry processes, resulting in faster resolutions and marked gains in client satisfaction scores.
