Professional experience

General Manager | Sep. 2023 - Present

Papelería Capital - Venezuela

Entrepreneur and General Manager passionate about technology and design. I have built from scratch a multi-service stationery store, offering a wide range of products and services. My responsibilities include:

- Inventory and cash management: handling cash, keeping track of daily sales and controlling stationery stock levels
- Customer service: resolving queries and handling complaints.
- Operate printing and copying equipment.
- Graphic design: Create logos, banners, flyers and other graphic materials using design software.
- Perform technical support, diagnose and troubleshoot computer equipment.

Personal Assistant | Feb. 2021 - May. 2023

Freelance - Remote

- Preparation of presentations for meetings and trainings.
- Reception and customer service: Answering phone calls, receiving visitors, providing information, resolving inquiries.
- Document management and reporting: Writing, reviewing and editing documents and English-Spanish translation.
- Social media management: design of images, logos, flyers, social media content in different formats. Daily publication, review of statistics

Technical intern | Jan. 2013 - June. 2013

Instituto Nacional de Investigaciones Agrícolas (INIA) - Venezuela

- Experience in the management of administrative processes and documentation
- Skills in the use of office tools (Microsoft Office, Google Suite) and document management systems.
- Agenda management, file organization, event and project planning and coordination, telephone answering and call management.

Education and training

Computer Engineering—Jul 2019

UPTA "Federico Brito Figueroa"

Medium Technician Data Processing Mention—Jul 2013

ETI Maracay Tricentenario

Experience in other areas

Director of Events | Asociación Scouts de Venezuela (ASV)

Responsible for the planning, organization and successful execution of events at the district, state and national levels. I was able to increase participation by 20%, reduce costs by 15%, receive recognition for innovation in events. I developed solid skills in communication, administration and logistics management, guaranteeing the satisfaction of the participants and the fulfillment of the objectives of each event.
