Dear

Recruiter:

I recently graduated from University of Wisconsin-Milwaukee, **Master Degree in Electrical and Computer Engineering** department (2017). I have expertise as a Research Assistant, working in Bio-Photonics lab in UW-Milwaukee. I plan to begin my career as a graduate engineer.

I am actively seeking an engineering job. I have had positive experiences about your company and would like to join your team of professionals.

Attached is a copy of my resume. At your earliest convenience, please contact me regarding possible employment opportunities at your facility.

Sincerely,

Parvathi Kadamati
