

PRIYA KACHAWA – Data Analyst | PSM I | QA Expertise in Data Validation

Detail-oriented Data Analyst with 4+ years of experience in data validation, ETL testing, and QA across data-driven business initiatives. Skilled at cleaning, transforming, and analyzing complex datasets to surface actionable insights that strengthen business decision-making. Proficient in SQL, Python, Power BI, Excel, and Tableau, with hands-on experience in data modeling, DAX, and dashboard development. Certified as Microsoft Power BI Data Analyst Associate (PL-300), demonstrating validated expertise in preparing, modeling, visualizing, and securing Power BI reports. Strong communicator, effective in stakeholder collaboration, and experienced in Agile methodologies and cross-functional teamwork.

WORK EXPERIENCE

Career Break (Full-Time Parenting)

Nov 2022–Present

- Took a planned career hiatus to care for family while maintaining organizational and time-management discipline.
- Pursued online courses and earned data analytics certifications (SQL, Power BI, Python), demonstrating commitment to professional growth.
- Developed portfolio dashboard projects to stay current with industry trends and sharpen technical skills.

GoHealth–Chicago, IL

Data QA Analyst II

Sep 2021–Oct 2022

- Validated ETL pipelines and transformed datasets using SQL, ensuring 99% data accuracy across systems.
- Conducted data cleaning, deduplication, and consistency checks to enhance reporting quality.
- Supported Power BI dashboard validation, aligning visual outputs with backend data for accurate insights.
- Developed complex SQL queries for backend testing and business logic validation.
- Reduced QA cycle time by 25% by creating reusable test templates and automating validation workflows.
- Collaborated with cross-functional teams to triage 200+ issues, ensuring timely data fixes.
- Actively participated in Agile ceremonies (sprint planning, retrospectives) for deliverable alignment.
- Worked with Business stakeholders to ensure accurate representation of data in Dashboards for decision-making

inVerita – Remote

Software QA Engineer

Mar 2018–Sep 2021

- Executed regression and data verification tests, reducing post-release issues by 30%.
- Performed API testing (Postman), validating data integrity across services.
- Created scalable test cases in TestRail, improving test coverage by 40%.
- Partnered with product teams for root cause analysis and defect resolution.
- Conducted cross-browser testing and contributed to QA documentation standards.
- Participated in Agile rituals, improving QA-engineering coordination.

SKILLS

- Languages & Tools: SQL (MySQL, PostgreSQL), Python (Pandas, NumPy) Business Intelligence: Power BI, Tableau, Excel, Data Visualization, Dashboard Development
- ETL & Data Quality: Data Cleaning, Profiling, Transformation, Root Cause Analysis

- QA Background (Transferrable): API Testing (Postman), Manual Testing, Regression Testing
- Platforms: Jira, Jenkins, TestRail, ClearQuest, New Relic, Splunk
- Methodologies: Agile/Scrum, Waterfall, SDLC

PROJECT

<https://github.com/Kachawa06?tab=repositories>

- Blinkit Sales Dashboard (SQL + Python + Power BI): Built a full-cycle sales dashboard tracking performance by location.
- Movie Ratings Analysis (Python + Power BI): Analyzed large-scale movie datasets to uncover genre and rating trends.
- Walmart Sales & Churn Prediction (Python + Matplotlib): Conducted EDA and built a churn prediction model.
- Sample Superstore Profit Dashboard (Power BI + Tableau): Designed segmented profit analysis by region and category.

EDUCATION

Rajasthan Technical University

MBA – Master of Business Administration

Kota University, India

B.Sc. in Science

DOEACC Society

Diploma in Information Technology (2 Years)

CERTIFICATIONS

- Microsoft Certified: Power BI Data Analyst Associate (PL-300)
- Professional Scrum Master I (PSM I) – Scrum.org
- SQL for Data Science – IBM
- Analyzing & Visualizing Data with Power BI – Davidson College
- Analyzing Data with Excel – IBM
- Introduction to Python Programming – Cambridge, MA
