Work Experience

Pharmacy Customer Service Associate

Walgreens-Romeoville, IL

August 2025 to September 2025

Assisted customers at the register and processed transactions efficiently while maintaining a friendly and helpful attitude. Supported daily store operations by stocking inventory, organizing products, and keeping the front area presentable. Answered phone calls and assisted customers with medication inquiries under pharmacist supervision. As a pharmacy technician in training, assisted with counting medications and preparing prescriptions. Contributed to maintaining a clean and orderly work environment during closing hours.

Pharmacy Technician

Walgreens-Bolingbrook, IL

August 2025 to August 2025

Worked in a high-volume fulfillment environment supporting the accurate preparation and packaging of prescriptions for multiple Walgreens locations. Gained a strong understanding of the foundational principles of pharmacy operations, including medication handling, verification processes, labeling, and compliance with safety and confidentiality standards. Collaborated closely with pharmacists and team members to ensure accuracy and efficiency in every stage of the dispensing process. This experience provided valuable insight into the technical and regulatory aspects of pharmacy work. I later chose to transition into retail pharmacy to expand my experience with direct patient interaction and customer service.

Cashier

Wingstop-Romeoville, IL

February 2025 to February 2025

I was being trained as to how to manage the register. I would complete tasks asked by the manager and would help manage the process/timing of orders in the back. I would handle pickup orders, call ins and would practice customer service. I packed orders as well.

Team Member

Smoothie King-Lockport, IL

February 2025 to February 2025

I was a team member who handles tasks for back of the house and front of the house. I prepare and serve smoothies for guests. I also greet guests and acknowledge departure.

Assistant Inventory Clerk

Rich Products Corporation-Crest Hill, IL

August 2022 to January 2023

As an inventory clerk, I would pick up the responsibilities of the parts clerk manager and cycle count maintenance parts. I would also label incoming items and record them in SAP (Systems, Applications, and Products in Data Processing); a software we used in the maintenance department.

Busser

Larry's Diner-Plainfield, IL

June 2021 to August 2021

At Larry's Diner, I would pick up after guests and wipe tables down. Occasionally, I would greet guests at the door and sit them down. Bringing guests condiments and or anything else that was needed was done too. I was also being trained to work the register.

Education

Business Administration (University)

Illinois State University-Normal, IL

January 2023 to March 2023

Did not continue my education at ISU, but I would like to further my education in Pharmacy at Joliet College to complete the PTCB exam.

Business Administration (University)

Saint Xavier University

August 2022 to September 2022

I was planning on transferring. Therefore I transferred to ISU.
