EDUCATION

Southern Illinois University Edwardsville
Master of Science in Computer Science

Edwardsville, IL
May 2025
GPA: 3.47

Koneru Lakshmaiah Education Foundation
Bachelor of Technology in Computer Science

Andhra Pradesh, India
May 2022
CGPA: 8.72/10

TECHNICAL SKILLS

- **Programming Languages:** C, C++, Java, Python
- **Web Technologies:** HTML, MySQL, DBMS
- **Cloud Technologies:** Microsoft Azure, Google Cloud
- **Certifications:** Salesforce Certified Administrator, Google Cloud Certified Associate Cloud Engineer, Microsoft Certified Azure AI Fundamental

RELEVANT EXPERIENCE

Bitwise Solutions, Pune, India.

Trainee Programmer – Java Developer

Aug 2021 – Sept 2022

- Developed and maintained Java applications on a global payment portal using Java, JavaScript, Spring Boot, and MySQL.

JPMorgan Chase Co.

Software Engineering Virtual Intern

May 2020

- Gained practical exposure to software development processes and tools.

Verzeo

Web Development Intern

Jun 2020 – Aug 2020

- Created dynamic web applications and databases for various clients.

PROJECTS

Comparative Analysis of Spatial Indexing Techniques for Small Datasets

Southern Illinois University Edwardsville
Edwardsville, IL

Implemented and optimized spatial indexing techniques (Grid Index, R-Tree, Hybrid Index, In-Memory and Quad Tree Index) for efficient geospatial queries on small datasets, enhancing query performance and scalability.

Neural Network Optimization Using Pruning Schedules (Thesis)

Southern Illinois University Edwardsville
Edwardsville, IL

Explored neural network optimization with a focus on time-based adaptive pruning schedules.

Library Management System

Designed and implemented a database for managing users, admin roles, and book issues.

Koneru Lakshmaiah Education Foundation
Andhra Pradesh, India

GUI-Based Java Project

Developed a Java-based GUI for adding and deleting notes with a login module.

Koneru Lakshmaiah Education Foundation
Andhra Pradesh, India

ACTIVITIES

- **Trailhead** – 101 Badges, 81,075 Points.
- **HackerRank** – JAVA, Problem Solving, C, Python.
- Represented university in Salesforce Mega Event 2020.
- All India Inter-University Target Ball Women's Tournament 2020 – 1st Runner Up, Koneru Lakshmaiah Education Foundation, Andhra Pradesh, India.
