[linkedin.com/in/nisharauniyar](https://www.linkedin.com/in/nisharauniyar)

Meticulous and driven accounting professional with about five years of immersive experience in vendor finance operations, transactional accuracy, and reconciliation strategy. Adept at processing invoices, expense reports, credit card bills, and maintaining vendor accounts in compliance with company policies. Skilled in coding vendor invoices and reconciling invoice discrepancies through effective communication with vendors. Especially effective in high-demand environments with a keen eye for detail and a strong grasp of accounting software and ERP platforms.

PROFESSIONAL EXPERIENCE

Accounts Payable Specialist at Gas One, Nepal (Feb 2022 - Mar 2025)

- Ensured accurate entry of accounting transactions into the accounting software including sales invoices, vendor payments, cash disbursements, and adjustments while maintaining data integrity.
- Served as a primary contact for vendors and internal stakeholders. Effectively communicated with vendors to handle inquiries and reconcile invoice discrepancies promptly leading to higher vendor retention. Maintained a high level of accuracy and transparency through data verification.
- Matched invoices against vendor codes, corresponding purchase orders, and remaining budget for timely and accurate processing of invoices. Audited and processed credit card bills.

Administrative Assistant at Lamos Health, Nepal (Feb 2021 - Jan 2022)

- Provided reliable administrative support through accurate data entry, inventory tracking of medical supplies, vendor coordination, and communication with internal and external stakeholders.
- Oversaw daily office functions including scheduling, document preparation, travel coordination, and maintaining organized filing systems.

Customer Service Representative at NIC Asia Bank, Nepal (Oct 2020 - Jan 2021)

- Handled financial transactions and document control, including ATM cash deposits, withdrawals, and issuance of financial instruments, ensuring accuracy and compliance with banking procedures.

EDUCATION

University of Science and Technology of China, Hefei, China (Sep 2017 - Jun 2020)

Master of Business Administration | Thesis: Organizational Behavior and Leadership | GPA: 3.7/4

St. Xavier's College, Kathmandu, Nepal (May 2013 - Jul 2017)

Bachelor in Business Studies | Major: Finance | GPA: 3.5/4
