

Skills

- SQL ()
- Python (Pandas, NumPy, Matplotlib)
- Excel (VLookup, Conditional Formatting, Pivot Tables)
- Microsoft Power BI
- Languages: C, C++, Php, Java
- Frameworks/CMS: Laravel, Bootstrap,
- HTML, CSS
- Operating System: Windows
- Version Control: GitHub
- Code Editor & IDE: VsCode, google colab
- Team Collaboration platform: Slack

Projects

SAILOR MANAGEMENT SYSTEM – College Project – Uttara,Dhaka,Bangladesh

January2022

- The **Prototyping Process Model** was used to allow for further development.
- Used **Laravel** as a framework and followed the **Model-View-Controller (MVC)**, generating models for database tables, views for user interfaces, and controllers for application functionality.
- **HTML** and **CSS** were used to construct the frontend.
- Backend development was done using the **PHP** programming language.
- For databases, **MySQL** was utilized.

Utilizing Deep Convolutional Neural Network for Handwritten Digit Recognition in Bangla – College Project – Uttara,Dhaka,Bangladesh

October 2021

- **Tensorflow**, a deep learning framework was employed.
- **Convolutional Neural Network (CNN)**, **Recurrent Neural Network (RNN)**, **Long Short-Term Memory (LSTM)** algorithms were utilized for comparison.
- Dataset <https://github.com/Sufianlab/BDNet> was used which consists of **23392 black and white image** data written by 1106 people, acquired from postal mail and job application forms. Among the 23392 data points, **19392 are for training** and **4000 for testing**.
- Measured the accuracy of the models and evaluate their performances where highest testing accuracy (**72%**) was acquired through **Convolutional Neural Network (CNN)**, after comparing three models.

Work Experience

Junior Developer at **Kodeeo Limited** – Uttara,dhaka,bangladesh

November 2021 – August 2022

- Collecting user and system requirements from clients.
- Assisting with the development of specific project with documentation.
- Assisting other teammates with their projects.

Education

BACHELOR OF COMPUTER SCIENCE AND ENGINEERING – IUBAT- International University of Business Agriculture and Technology – Uttara,Dhaka,Bangladesh.

February 2022

Majors: Machine Learning, Software, Management Information System
