

SAI THARUN BADDELA

Denton, TX 76205 | 940-(977)-5914 | Saitharunbaddela@gmail.com |

Summary

Project Engineer with 4.5+ years of combined experience in commercial, residential, and infrastructure construction across the U.S. and India. Skilled in project scheduling, subcontractor coordination, QA/QC inspections, cost control, and document management. Strong ability to interpret plans, track progress, prepare submittals, and support project managers in delivering projects safely, on time, and within budget. Proficient in MS Project, Primavera P6, AutoCAD, Revit, Procore, and BIM tools.. PMP-certified, with the ability to lead multi-scope, high-complexity projects.

Education

University of North Texas

- Master of Science in Engineering Management (Construction)

Denton, Texas

Dec 2025

Gokaraju Rangaraju Institute of Engineering & Technology

- Bachelor of Technology in Civil Engineering

Graduated May 2023

Abilities and Software Skills

Project Management, Risk Assessment, Inspections, Detail reporting, HVAC Systems, Mechanical Retrofits, BAS/Controls Coordination, Primavera P6, Site-Execution, Procore, Project Management, Microsoft Project, Bluebeam, Project Planning, Quantity Takeoff, Documentation, Jira, Site-Safety, AutoCAD (2D & 3D), Hec-HMS, Hec-Ras, Data Reporting, Revit (BIM), Navisworks, Microsoft 365, Adobe, Quality Assurance & Control.

Employment

Project Engineer (Formerly Field Engineer)

June 2025 - Present

Certerra (Rone Engineering)

Dallas, TX

- Supervise day-to-day field activities, coordinating with subcontractors, city inspectors, and project managers to maintain schedule and jobsite quality.
- Monitored environmental and installation conditions to prevent early failures and ensure warranty compliance for HVAC and mechanical systems.
- Conduct daily/weekly inspections of concrete, foundations, framing, grading, utilities, and finishes to ensure full compliance with plans, specifications, and residential building codes.
- Review trade work in progress and at completion, developing punch lists and driving timely closeout and corrections.
- Oversee jobsite safety practices and enforce company standards, reducing conflicts and delays during construction operations.

Maintain detailed documentation, including inspection logs, test reports, subcontractor tracking, and progress records.

Project Engineer Intern

Dallas, TX

Squarefoot Construction

Jan 2025 - Jun 2025

- Assisted superintendents with scheduling, progress checks, and trade coordination for residential and commercial building packages.
- Created material logs, updated task sequences, and monitored subcontractor performance to maintain efficient workflow.
- Supported pre-close and turnover tasks: quality checks, punch list preparation, customer walk-through readiness.
- Developed construction drawings and BIM models that improved accuracy and field implementation.
- Proficiency and confidence in work, with over 90% successfully delivering industry-standard models and project deliverables.

Project Engineer

Sukajeewan Construction

Jan 2022 – Dec 2023

- With almost 2 years in the company managed diverse projects with their quantity take-offs, BOQs, and cost estimates for residential and commercial buildings.
- Managed multi-phase residential and commercial construction sites, overseeing subcontractors across civil, structural, and finishing trades.
- Performed site inspections, verified construction progress, and resolved field issues to maintain schedules and budget targets.
- Updated Primavera and MS Project schedules, monitored progress, and implemented risk mitigation strategies.
- Prepared BOQs, quantities, estimates, and procurement schedules aligned with execution plans.
- Ensured compliance with building standards, codes, and safety policies across all project phases.
- Coordinated permits, approvals, and inspection processes with local authorities.
- Reviewed mechanical drawings, coordinated site installation sequences, and resolved conflicts to avoid delays.

Student Assistant

University of North Texas

Denton, TX

Apr 2024 - Jan 2025

- Coordinated scheduling, documentation, and resource allocation across multiple departments.
- Developed organizational systems that improved workflow efficiency and cross team communication.

SAI THARUN BADDELA

Denton, TX 76205 | 940-(977)-5914 | Saitharunbaddela@gmail.com |

Survey Engineer Intern

Dream Homes Plans & Designs

Jul 2021 – Dec 2021

- Operated surveying equipment (GPS, total stations) for accurate site data collection.
- Conducted precise topographic surveys to support layout, grading, and engineering design.
- Supported land development planning and environmental assessments with geospatial mapping.
- Collaborated with site engineers to prepare plans, boundary layouts, and construction staking.
- Provided geospatial data for planning and environmental assessments.

Projects

- Knox, Dallas, TX (30story Hotel) – \$600 million project Conducted complete PT Inspection and Material
- Oak Lawn Plaza, Dallas, TX (Commercial Development) - Soil, Safety Inspection & Material Testing
- Palladium Buckner Station, Dallas TX (Residential) - Complete Site Supervision, MEP coordination support.
- G+5 Commercial Building (India): Complete BOQ, HVAC shaft planning, cost estimation, Primavera schedule.
- Flood Prediction using HEC-HMS, HEC-RAS, WMS in Telangana
- Multi-Story Building Development – Led cost estimation, BOQ preparation, and scheduling for G+5 Commercial Building.
- Structural Detailing of Block IV of University: Designed RCC Structural members, reinforcement detailing and construction drawings.

Professional Certifications

PMP (Project management Institute) PMI, OSHA 30-Hour Outreach Training for the Construction Industry, Construction Manager in Training (CMIT), Procore Certifications (Project Management, Engineer, Estimator), Google Project Management, ACI Concrete Grade 1, APNGA Safety Course, HAZWOPER 40-Hour, PMP (Project management Institute) PMI, SB102(Soils) NICET, aiming to complete the FE in this December. Pursuing M.S. in Engineering Management with focus on Construction Management.
