EDUCATION

Farmingdale State College | Farmingdale, NY

Graduated: June 2025

Bachelor of Science in Computer Science

Member of the Research Aligned Mentorship Program

Relevant Coursework:

- Algorithms
- Data Structures
- Operating Systems
- Networking
- Java
- Computer Architecture and Organization
- App Development

SKILLS & LANGUAGES

Languages: Java, Python, Kotlin, SQL, C++

Tools & Frameworks: Firebase, Visual Studio Code, IntelliJ, netBeans, Android Studio, Scikit-Learn, Wireshark, CloudLab, Fabric, miniconda3

EXPERIENCE

The Coder School | Code Coach

Sep 2022 - Present

- Teach students to make graphical and text-based games in Scratch, Python, and Java
- Made lesson plans to help build foundational knowledge

Farmingdale State College | Undergraduate Research Assistant

Jan 2023 - May 2023

- Made weekly presentations about the research I did into MultiPath TCP
- Found key areas to collect TCP traces for use in research
- Collected TCP trace data to use in Fabric to test MultiPath TCP effectiveness in different environments

Brookhaven National Lab Quantum Computing Summer School | Student

Jun 2022 - Jul 2022

- Learned about rsa encryption, data visualization, algorithmic efficiency, simulation and modeling.
- Learned linear algebra, complex algebra, vector algebra, statistics

PROJECTS

Blab-App | Farmingdale State College Senior Project | github.com/OsmanyARdx/Blab-App

- Language learning social media Android app
- Agile development
- Utilized: Android Studio, Github, Firebase, Kotlin

ACHIEVEMENTS

Eagle Scout

Nov 2021

Lead and organized the renovation of an existing duck coop as part of final Eagle scout project

ACTIVITIES

Colorstack | Member

July 2023– Present
