Summary

Detail-oriented Computer Science graduate with hands-on experience developing applications through academic projects. Proficient in Python, Java, and SQL, with a strong foundation in algorithms, data structures, and problem-solving. Eager to apply technical skills and collaborative mindset to deliver efficient software solutions.

Skills

Technical Skills: Python, C++, C#, Java, JavaScript, TypeScript, React, React Native, Scikit-learn, SQL, Linux, Git

Soft Skills: leadership experience, teamwork, communication, problem solving, critical thinking

Tools: GitHub Desktop, Docker, Visual Studio Code, Terminal

Project Experience

Video Feed for PatrolCam Website January 2025 – May 2025

- Implemented video stream from Jetson Nano to the website using GStreamer.
- Used JavaScript, CSS, and HTML for the website, and Linux knowledge for Jetson Nano.
- Completed proof of concept for client to show investors.

Machine Learning Project August 2024 – December 2024

- Utilized preliminary models such as decision trees, random forests, and linear regression.
- Led a team with 3 other students to create successful models for the client.

Tool for Embodied Learning Research January 2024 – May 2024

- Aimed to help students learn concepts through movement using an avatar on screen.
- Used JavaScript to implement game and level editors so users could create and play content.
- The resulting application included a full gameplay loop that the client could use in research.

Wayfinding Application August 2023 - December 2023

- Used React Native for receiving Bluetooth beacon signals and a Unity model of the building to show the user's location based on signals.
- Integrated magnetometer data to dynamically rotate a 3D model based on device orientation.
- Completed Android app to help students find classrooms in Trafton North at MNSU, Mankato.

Education

Minnesota State University, Mankato, Mankato, MN May 2025

Bachelor of Science in Computer Science GPA: 3.97/4.00

Normandale Community College, Bloomington, MN December 2022

Associate of Science in Computer Science Transfer Pathway with High Honors GPA: 3.93/4.00

Certificate of Excellence December 2022

Biology Department of Normandale Community College Honors

Dean's List All Semesters
