EXPERIENCE

ICONYCS Housing Analytics

Irving, CA, USA

Graduate Consultant / Developer

January 2025 - June 2025

- Designed a Chatbot that leverages AI-powered tools to analyze and present data from IconyCS' housing dataset
- Developed a secure and robust API to interface for IconyCS' Snowflake data warehouse.
- Integrated ChatGPT into our user-interface/Chatbot for natural language query and data summarization.

HABIB METRO BANK LTD (subsidiary of AG Zurich)

Karachi, Pakistan

Credit Underwriter (AVP) – Commercial / Corporate Banking and Asset Based Lending

January 2022 - March 2024

- Led the pre-disbursement risk analysis of a diversified credit portfolio valued at \$1.5 billion.
- Visited client locations to gain a deeper understanding of complex challenges, recommending clear credit solutions to meet their needs, thereby strengthening client relationships and the bank's advances portfolio.
- Analyzed the bank's pioneer real estate development deal.
- Collaborated with credit officers and relationship managers to achieve 93% accuracy on regular updates of client files with reporting on credit status, ensuring data integrity and informed decision-making.

Credit Underwriter (Manager) – Commercial Banking

January 2019 - December 2021

- Evaluated the credit and financial strengths and vulnerabilities of corporate and commercial accounts by identifying root causes, trends, and horizon issues using both quantitative and qualitative factors, enhancing risk assessment accuracy.
- Delivered an average growth in advances of more than 11% while reducing non-performing loans from almost 8% to 4.5% over 4 years by streamlining the Credit Approval Framework (CAF).
- Supplied analysis achieving a record-high advance to deposit ratio of over 54% (2021) through predictive modeling of past loan data.

Credit Risk Analyst – Commercial Banking

January 2015 - December 2018

- Crafted comprehensive credit risk evaluation sheets for submission to central and board credit committees, significantly enhancing the quality of informed decision-making.
- Ensured rigorous compliance and robust risk management by adhering to credit policies, guidelines, procedures, and regulatory requirements set by the State Bank of Pakistan.
- Recognized as one of the top three out of twelve credit analysts for three consecutive years, exemplifying unparalleled performance and expertise in credit risk management.
