Education

Northeastern University, Boston USA Master of Science in Data Science Coursework: Algorithms, Essentials of Data Science	2025 - 2027
Shiv Nadar Institute Of Eminence India B.Tech Electronics and Communication Coursework: Intro. to Database Systems, Data Structures, Operating Systems, Object-Oriented Programming, Analysis and Business Modeling Using Excel, Applied Deep Learning	2020 - 2024 GPA : 7.12/10
Amity International School India Science Coursework: Python, SQL	2018 - 2020 Percentage : 82/100

Professional Experience

Manufapp , Software Developer Engineer, Delhi, India • Optimized backend performance through query tuning, lock mitigation, and database debugging implemented archival pipelines from PostgreSQL to AWS S3 for efficient storage management, and automated reporting to enhance accuracy and timeliness. • Contributed to cloud migration (Linode → AWS), implemented auto-scaling for ECS tasks, optimized AWS costs, and developed operational dashboards for real-time monitoring and faster incident resolution. • Delivered secure system upgrades with JWT authentication, role-based access controls and encrypted databases; improved mobile app workflows, bulk upload capabilities, push notifications, and anomaly detection tooling for better system reliability.	Aug 2024 - July 2025
Randstand Digital , Data Science Intern, Bangalore, India • Researched and implemented generative AI solutions for a cloud platform, enhancing customer experience and platform efficiency. • Developed a Retrieval Augmented Generation (RAG) system using Python, Vertex AI, OpenAI, and Langchain, improving NLP capabilities. • Applied prompt engineering, text embedding, and vector stores to optimize AI response generation and information retrieval.	Feb 2024 – May 2024
Accenture , Associate Software Engineer Intern, Mumbai, India • Implemented Workday HR system, streamlining operations and improving data accuracy. • Demonstrated expertise in data transformation and advanced custom reports for efficient processing. • Contributed to hiring and on-boarding processes, ensuring smooth integration of 10 new employees.	June 2023 – July 2023
HCLTech , Intern - Open Innovation Program, Noida, India • Open Innovation Program experience for fostering collaboration and innovation with external partners. • Proficient in AI/ML, including pandas, regex, and generative AI. • Research on OpenAI and its growing usage, focusing on security concerns like data privacy, model security, intellectual property, misuse, and bias.	Feb 2023 - April 2023

Skills

Programming Languages	Python, Arduino, C, Java
Cloud & Infra	AWS, Git, GCP
Databases	SQL, PostgreSQL, MongoDB, DynamoDB
Frameworks	Django, Flask
Technical Expertise	ETL Processes, Data Integration, Data Modeling, Advanced Excel, Data Cleaning (Pandas, NumPy)
Soft Skills	Persistent Problem Solver, Inquisitive Nature to Drive Improvements, Adaptability
Certification	AZ-900: Microsoft Azure Fundamentals, 30 day Google cloud program, Advanced Data Engineering

Projects

• Crop Health Analysis Using Drones (Python, CV, Drones): Led a transformative project in agriculture, leveraging Python, computer vision, and drones for automated crop monitoring. (August - December 2023).
• Car Pooling Website (Python(Flask), SQL): Developed a university-based Carpool Website, promoting sustainable transportation. (October - December 2023).
• Sign Language Recognition (Python, Deep Learning): Pioneered a real-time model using MediaPipe Holistic, LSTM layers, and OpenCV for accurate sign language predictions. (November - December 2023).
• E-BAJA SAE (Arduino, Python, Electronics, Automotive Design): Designed and fabricated a two-wheel-drive all-terrain vehicle for an endurance race. (2021-2022)

Positions of Responsibility

• Head of Photography , Campus Caravan, SNU	August 2023 - May 2024
• Secretary , SAE(Society of Automotive Engineers), SNU	August 2022 - June 2023
• President , Cyber Society (Metaverse), Amity Mayur Vihar	June 2019 - May 2020
• Vice President , Cyber Society (Metaverse), Amity Mayur Vihar	June 2018 - May 2019
• Head of Photography/Videography , Amity International School, Mayur Vihar	2017 - 2020
