EXPERIENCE

Full-Stack Web Developer

May 2024 — August 2025

SIL International

Remote

- Created and styled interactive web components using JavaScript, TypeScript, React, and CSS
- Wrote SQL queries, routes, and Drupal controllers to retrieve data from a MySQL database
- Authored and maintained documentation for core features of the codebase
- Played a key role in migrating the codebase from JavaScript to TypeScript, improving readability and maintainability
- Enhanced user experience and reduced latency by implementing React's Context API for error handling and TanStack Query for improved data fetching

Mathematics Researcher

May 2023 — August 2023

Westmont College

Santa Barbara, CA

- Researched the properties of strongly annular functions using techniques from complex analysis and measure theory, honing the ability to communicate complex and technical concepts effectively
- Read and synthesized mathematical literature on techniques related to the primary research question
- Developed technical writing skills and published work in *The American Mathematical Monthly*, one of the most widely read peer-reviewed mathematics journals in the United States

Private Mathematics Tutor

January 2017 — May 2024

Self-Employed

Pasadena, CA and Santa Barbara, CA

- Tutored 20+ students across subjects ranging from 3rd grade through college calculus
- Developed lessons and learning plans personalized to each student's needs
- Practiced active listening and clear communication to help students grow

Group Mathematics Tutor

June 2022 — August 2022

Elevate Educational Services

San Marino, CA

- Tutored groups of 3-8 middle school students in mathematics
- Developed the ability to communicate with groups of varying levels of ability and understanding

EDUCATION

Westmont College

August 2022 — May 2024

Bachelor of Science in Mathematics; Minor in Computer Science

Santa Barbara, CA

- Cumulative GPA: 3.9/4.0 | Summa Cum Laude, 2024 Outstanding Mathematics Graduate, Phi Kappa Phi Honor Society

Pasadena City College

August 2018 — May 2022

Associate in Mathematics

Pasadena, CA

- Cumulative GPA: 3.9/4.0
