EDUCATION

Harvard University, Boston, Massachusetts

Master of Science in Bioethics, May 2024

- Capstone Project: The technical, legal, and ethical limitations of utilizing artificial intelligence in improving clinical outcomes in neurological emergencies

The University of Toledo, Toledo, Ohio

Bachelor of Science in Bioengineering, Minor in Chemistry, May 2022

- Grade Point Average: 3.8

EXPERIENCE

Strata Decision Technology, Chicago, IL

July 2022 - August 2023: *Data Integration Analyst*

- Use technologies, including SQL and Microsoft Excel, to solve complex problems.
- Demonstrate proficiency with data integration & configuration.
- Gain a deeper understanding of common data types and source systems, including General Ledger, Payroll, Patient Accounting, Patient Billing, etc.
- Build strong relationships with customers actively using StrataJazz® and deliver a best-in-class experience.

Motion Analysis and Integrative Neurophysiology, Toledo, OH

April 2021 – May 2022: *Undergraduate Researcher*

- Analyzed physiological (EEG, ECG, EMG) data through MATLAB, EEGLab, ERPLab
- Worked on a project that determines the influence of neuromodulator interventions on brain activity and performance outcomes during single-limb balance and force tracing tasks.

General Electric Healthcare, Madison, WI

May 2019 – December 2019: *Manufacturing Engineering Co-op*

- Developed practical engineering solutions in the plant.
- Redesigned tools used by production assistants.
- Worked on developing a new layout for a manufacturing line.
- Created packaging designs to ensure the safe transportation of material.
- Aided in creating manufacturing instructions for new products.
- Volunteered at an engineering camp for middle school girls at the University of Wisconsin-Madison.

McHenry County College Biology Department, Crystal Lake, IL

August 2017 – May 2018: *Microbiology Undergraduate Researcher*

- Research for Screening of Carrier Status of *S. aureus*.
- Collected nasal swab samples from healthcare professionals in McHenry County.
- Conducted antibody testing on samples to test for MRSA.
- Presented findings to Argonne National Laboratory scientists and faculty

HONORS AND AWARDS

- Skyway Collegiate STEM Poster Competition - 3rd Place Winner amongst 40 participants
- President's List: Fall 2018, Fall 2019, Spring 2020, Summer 2020, Summer 2021
- Dean's List: Fall 2020, Spring 2021, Fall 2021

COLLEGIATE ACTIVITIES

- Society of Women Engineers – Social Media Chair (2018-2020), Vice President (2020-2021)
- PERIOD-Medlife Movement – Founding Executive Vice President (2020-2022)
- Chi Omega Fraternity – Professional Development Chair (2020-2021)

SKILLS

- MATLAB, Solidworks, Scientific Reading, File Review, EEGLab, ERPLab, Microsoft Office, Google Workspace
- Proficiency in English, Spanish, Hindi
