SUMMARY STATEMENT

Computer Science graduate (Summa Cum Laude) with minors in Artificial Intelligence and Cybersecurity. Co-author on NSF-funded research published in 2025 on generative AI in education. Certified by CodePath in Intermediate Web Development and Intermediate iOS Development. Over 5 years of professional experience in data verification, digital record management, compliance, and training. Highly organized, adaptable, and skilled in analyzing data, solving problems, and communicating findings through reports and briefings.

PROFESSIONAL SKILLS

Education	B.S. in Computer Science with Minors in AI and Cyber Security from Florida Atlantic University.
Employment	Highly organized, reliable and efficient. I'm a worker who takes on any task assigned to me and excels. Team player that takes charge when needed and accepts orders without issue.
Personal	Dedicated to my goals with a no-quit attitude. Positive outlook and approachable demeanor. Kind and loyal, with a strong work ethic.

PROFESSIONAL WORK EXPERIENCE

Medical Documentation Analyst, June 2019 – Present
Boost Advisory Group LLC, Stuart, FL
Salary: \$32,000 per year
Job Type: 40 hours per week, Full-Time
Supervisor: Shelly Scheele, (772) 267-4632

Gathered and analyzed insurance and medical documentation to make determinations on DME claim eligibility. Established solutions to documentation and compliance problems, assessing vulnerabilities and risks in claims to secure approvals and reimbursements. Organized, planned, and prioritized multiple competing assignments across suppliers and physician offices using Brightree and Excel. Navigated complex and evolving regulatory environments, adapting processes to Medicare and commercial payer changes. Communicated orally and in writing with internal staff, physician offices, and insurers to prepare reports, appeal packets, and status briefings. Provided training and mentoring for new staff on digital documentation systems, compliance rules, and data verification practices.

OTHER WORK EXPERIENCE

Document imaging specialist, June 2016 – September 2018
ABC Medical, Port St Lucie, FL
Salary: \$12 per hour
Job Type: 25 hours per week, Part-Time

Collected, scanned, and uploaded sensitive client medical files into digital record systems, ensuring accuracy and compliance with HIPAA. Reviewed and corrected discrepancies in electronic records to preserve data integrity. Assisted staff in navigating complex digital systems and provided guidance on proper documentation handling
