Experience

Research Assistant | 01/2025 - Present | Clarkson University | Potsdam, NY

- Worked on real research projects where I wrote Python scripts and SQL queries to clean, explore, and analyze large datasets used by faculty and students.
- Used data mining and statistical techniques to find patterns and insights that supported academic studies and real-world applications.
- Gained hands-on experience working with professors and research teams, applying what I've learned in class to actual problems involving databases, analysis, and reporting.

Teacher's Assistant | 01/2024 - 12/2024 | Clarkson University | Potsdam, NY

- Supported teachers in preparing materials, setting up equipment and development of engaging lesson plans.
- Provided valuable feedback to students by grading assignments and reporting individual progress to teachers.
- Actively participated in weekly in-person meetings with professors, gaining valuable insights into academic research.

Independent Researcher | 05/2024 - 08/2024 | Capstone Project | Potsdam, NY

- Implemented TF-IDF to evaluate word importance in document collections.
- Compared manual TF-IDF computation with Scikit-learn's TfidfVectorizer, demonstrating proficiency in both approaches.
- Explored TF-IDF calculations for bi-grams to capture contextual information in document analysis.

Graduate Assistant | 10/2023 - 12/2023 | Clarkson University Data Science Program | Potsdam, NY

- Assisted professors in the development of SQL based project by creating ERDs and Relational schemas.
- Collaborated with faculty on research projects and advancing knowledge in their fields.
- Enhanced research quality by providing thorough data analysis support.

Knightline Caller | 10/2023 - 12/2023 | Clarkson University | Potsdam, NY

- Engaged alumni and parents in fundraising campaigns for Clarkson University through outbound calling campaigns.
- Developed strong communication and interpersonal skills.
- Demonstrated commitment to Clarkson University's mission and values.

Java Trainee | 01/2023 - 04/2023 | UpRaqx Solution Pvt. Ltd. | Gujarat, India

- Streamlined project workflows, resulting in a 10% increase in intern productivity.
- Consistently delivered high-quality work, exceeding project specifications and meeting all deadlines.
- Contributed to a 12% increase in team productivity through effective collaboration and communication.

Skills

Programming Languages: Front-end: HTML, CSS, JavaScript, Back-end: Java, SQL, Python, Database: Postgres SQL , Data Visualization: Tableau, ArcGIS Pro

Education

Master of Science in Applied Data Science | Clarkson University | 12/2024 | Potsdam, NY

Bachelor of Engineering in Computer Engineering | SAL Institute of Technology & Engineering Research
Ahmedabad | 08/2023 | Gujarat, India

Certificates

HackerRank SQL (Basic) Certificate, HackerRank Python (Basic) Certificate, HackerRank SQL (Intermediate) Certificate, HackerRank SQL (Advanced) Certificate
