Professional Experience

Assistant Vice President, Corporate Banking

Axis Bank Ltd., India

June 11 – January 12

Axis Bank, the third largest private sector bank in India, with a current balance sheet size of ~USD 63 billion is renowned for providing comprehensive financial solutions to corporates in both credit and equity space.

- Managed a credit portfolio of over 80 large corporate clients with committed lines of more than USD 950 million surpassing a credit fee income target of over USD 20 million as a corporate credit officer across multiple sectors.
- Oversaw a team of four credit analysts ensuring qualitative content and fast turnaround of the credit appraisal memorandums.
- Comprehensive assessment of the viability of a corporate's business/project model by examining management track record, corporate governance, project/cash flow assumptions, project risk, credit rating and industry trends.
- Collaborated and interacted with multiple teams internally on a daily basis to ensure end to end customer service.

Significant Deals/Projects

- Syndication of ECB of USD 50 million for part funding an acquisition of a joint venture company by a Pharma client (project cost of USD 81 million) earning a fee income of approximately USD 5 million for the bank.
- Sanction of project loan of about USD 50 million (cost of ~USD 150 million) for part funding a residential real estate project.

Sr. Manager, Corporate Banking

Axis Bank Ltd., India

September 2008 – June 2011

- Structured credit facilities as per clients' requirements that include a USD 15 million credit line for purchase of receivables of an IT/ITES company, lease rental discounting loans for real estate companies in addition to vanilla credit facilities.
- Managed existing stressed assets in the portfolio, including responsibility for restructuring of a trading entity with an exposure of about USD 50 million with the bank.

Equity Research Analyst

Goldman Sachs (India) Securities Pvt. Ltd

April 2006 – August 2008

- Member of the North American Industrials equity research team covering listed entities including Caterpillar, Eaton, Deere, Graco among others.
- Valuation, modeling and authoring research for the industry and companies under coverage.

Volunteer Experience

- Received the President's Volunteer Service Award in 2013 for my volunteer work with District 8, City of Dallas.
- Responsible for managing their budget, their Community Office initiative and for their bi-annual newsletter.
- Volunteered for a few months with the Allen Community Outreach, a local NGO in the City of Allen.
