Summary of Experience

Results-driven analyst with experience in data analytics, AI-powered solutions, and process optimization across healthcare, tech, and federal sectors. Proven track record in Agile project management, driving operational improvements, and delivering strategic insights. Strong in cross-functional collaboration, compliance, and translating complex data into actionable outcomes.

EXPERIENCE

Business & Data Analyst (Remote)

CMS Kidney Care Choices (KCC) Model- (Contract)

January 2024 - Present, Baltimore, MD

- Promoted to a higher role within first year for outstanding performance, leadership, and impact across 5+ Centers for Medicare & Medicaid Services (CMS) initiatives
- Lead full-cycle data analysis and monitoring with 100% accuracy across all deliverables using Excel (Power Query, PivotTables), SQL, and Python; support internal reviews and external submissions to CMS and Softrams (A Tria Federal Company).
- Deliver insights and conduct QA reviews across 5 major initiatives (e.g., Environmental Scans, Financial Guarantees). Collaborate with 15–20 cross-functional team members to ensure regulatory compliance and on-time reporting.
- Collaborate with CMS, Softrams, and 3+ project management offices to gather requirements, streamline reporting workflows, and maintain a zero-rejection rate on all data deliverables.
- Analyze monthly datasets from the American Institutes for Research (AIR) and engage 50+ dialysis facility providers via the 4Innovation platform to identify data quality issues, trends, and risks.
- Create and manage 10+ Standard Operating Procedures (SOPs), Visio diagrams, and SharePoint resources; automate mail merge workflows to reduce manual effort by 90% and train 10+ staff on tools and reporting procedures.

AI Content Analyst at Google (Remote)

Google Ads (Vaco LLC)- Contract

January 2023 - January 2024, San Francisco, CA

- Achieved 98%+ accuracy in AI content evaluation, supporting model training and algorithm refinement.
- Led 120+ daily audits on AI-generated content across Google, YouTube, and Reddit, improving targeting by 10%.
- Identified and mitigated policy violations in ads content, ensuring compliance and reducing risks on platforms.

Program Coordinator (Remote)

Google Ads (Vaco LLC)- Contract

January 2023 - January 2024, Walnut Creek, CA

- Trained and onboarded 60+ staff, reducing ramp-up time by 30% and standardizing client-facing workflows.
- Managed 25+ high-priority deliverables; used trackers to ensure 100% on-time delivery and stakeholder alignment.
- Created Kanban timelines and dashboards to support strategic updates, increasing cross-team visibility and leadership alignment by 40%.
