WORK EXPERIENCE

Axos Bank, La Jolla, CA

January 2025 - present

Jr. Banking Analyst - Commercial Real Estate Portfolio Management

- Performed quarterly loan reviews and assigned risk ratings, delivering comprehensive assessments of borrower performance and proactively flagging underperforming assets across a \$320M+ real estate portfolio to support risk mitigation strategies.
- Executed monthly roll forwards by reconciling cash flows, escrow activity, loan tapes, and covenant compliance, producing detailed reports that equipped senior leadership with actionable insights to monitor facility health and borrower creditworthiness.
- Partnered with internal stakeholders in Credit, Operations, and Compliance to resolve data inconsistencies during loan boarding, streamlining activation timelines, and ensuring 100% accuracy in borrower onboarding across multiple lending platforms.
- Reviewed and analyzed borrower-submitted asset pledge packages, verifying underwriting criteria and performing value assessments to support high-volume credit approvals, contributing to a 100% approval rate on well-documented pledges.

Sushi Bae, Woodbridge, VA

March 2021 - December 2024

Waitress/Hostess/Cashier/Accountant

- Served 60-75 customers per shift through communicating food orders, lunch and dinner service, managing payments, and providing excellent customer service to guests in a timely and efficient manner, ensuring 100% customer satisfaction to guests in a timely and efficient manner
- Spearheaded a system for tracking inventory and cost of goods sold, which helped identify areas for improvement and optimize menu offerings, leading to improved operational efficiency and increased profitability
- Created and implemented an Excel-based system to track inventory and cost of goods sold, using data-driven insights to help identify inefficiencies in company resource allocation, improving overall operational efficiency

Uytensu Aquatic Center, Los Angeles, CA

February 2023- August 2024

Lifeguard

- Developed excellent problem-solving and decision-making skills by successfully managing and preventing emergency situations through implementing proper protocols for thousands of pool users a semester
- Exhibited strong communication and interpersonal skills by interacting with students, staff members, and faculty members, addressing their inquiries or concerns in a professional manner to guarantee patron satisfaction and improve experience
- Contributed to a data-driven approach to risk management, working with aquatics and recreational facility directors to analyze incident trends and provide valuable insights to enhance implementing preventative measures for future incidents

SO Consulting & CO., Dubai, UAE

June 2023- August 2023

Associate Consultant

- Partnered with 3 clients to understand their specific needs and challenges, tailored solutions by analyzing industry trends, and contributed to the implementation of strategies that addressed their financial end goals, resulting in a 30% improvement in the client's objective
- Assisted 4 senior consultants in identifying project priorities, conducted in-depth data analysis and presented insights in meetings to support certain decisions, and contributed to the execution of strategies that enhanced project outcomes
- Participated actively in brainstorming sessions to address complex business challenges, introduced innovative ideas and alternative approaches based on critical thinking, which provided fresh perspectives and advanced objectives
- Leveraged networking opportunities through LinkedIn, shared knowledge and discussed trends with potential clients, and built lasting relationships with professionals in various fields, broadening industry insights and strengthening professional connections
