EDUCATION:

Bachelor of Science in Health Informatics with Data Analytics and AI Application Minors

Nova Southeastern University, Fort Lauderdale, FL (Anticipated December 2025)

SKILLS:

- Data Analysis and Visualization in Power BI and Tableau
- Electronic Health Record Systems
- Database Management experience in SQL and Access
- Strongly proficient in Microsoft Excel, Word, & PowerPoint

WORK EXPERIENCE:

Analyst Intern on UX Research Team, UnitedHealth Group, Minneapolis, MN (June–August 2025)

- Led a cross-functional UX research project to uncover root causes of member pain points in healthcare cost visibility, synthesizing insights from digital dashboards and member feedback
- Gathered and analyzed user interactions using Power BI, Adobe Analytics, and Qualtrics to identify usability gaps
- Presented strategic recommendations to stakeholders, including benefit comprehension tools, contributing to redesigns and member experience optimization

Data Analytics Intern, UnitedHealth Group, Boston, MA (June–August 2024)

- Analyzed performance data across 100+ clients to identify root causes and support strategic decision-making
- Translated findings into visual and written content for internal stakeholders and prospective clients
- Collaborated with marketing to tailor deliverables into lead-generating materials

IT Tech Assistant, Nova Southeastern University, Ft. Lauderdale, FL (January 2024–Present)

- Supported NSU students, faculty, and staff with hardware and software troubleshooting
- Set up and maintained audio-visual equipment for events and classrooms
- Conducted software demonstrations and training workshops

Sports Instructor, Kidokinetics, Orlando & South FL (June–November 2023)

- Taught a variety of sports to children aged 3–10, fostering physical literacy and teamwork
- Collaborated with coaching staff to develop engaging class formats

EXTRACURRICULAR ACTIVITIES:

President of MEDLIFE Club, Nova Southeastern University (2024– Present)

- Planned and ran clinical workshops weekly
- Delegated and supervised event coordination, due collection, and club promotion

MEDLIFE Public Relations Chair Nova Southeastern University (2022-2023)

- Create content for and manage the club's social media accounts
- Design digital and print materials for event promotion

Hospital Volunteer, Advent Health Hospital, Altamonte Springs, FL (2021-2022)

- Organized medical supplies and communicated with patients to help them with daily needs
