WORK HISTORY

SAP MM Consultant, 01/2025 - Current

JPMorgan Chase – USA

- Configure and implement SAP MM solutions with S/4HANA integration.
- Optimize procurement and inventory workflows, improving efficiency and reducing costs.
- Provide end-user support, training, and documentation for seamless system use.
- Collaborate with stakeholders and IT teams to deliver compliant, business-aligned solutions.

SAP MM Specialist, 01/2024 - 11/2024

Doc RCM Experts – United States (Remote)

- Optimize material management, purchasing, and inventory workflows to reduce costs and improve efficiency.
- Provide end-user support, training, and documentation for SAP MM functionality in healthcare operations.
- Collaborate with finance, operations, IT, and RCM teams to deliver business-aligned solutions.

- Ensure compliance with healthcare regulations, internal policies, and audit requirements.

SAP Functional Consultant, 04/2022 - 07/2023

Mindtree – India

- Achieved a personal target of resolving 95% of SAP MM configuration issues within 24 hours, by building a new knowledge base and automation scripts, directly improving user satisfaction.
- Expertise in SAP MM configuration, system integration, and inventory management, ensuring seamless procurement execution, cross-module data consistency, and optimized stock accuracy through automation.
- Facilitated change management workshops focused on SAP MM standardization, resulting in a 30% improvement in process adherence and reduced data entry errors by approximately 15%.

Chief Organizer, 06/2018 - 03/2021

MIC College of Technology – Kanchikacherla, India

- Directed budget allocation and financial planning, optimizing resource utilization, and securing sponsorships for large-scale events. Resulting in a 25% reduction in excess budget.
- Led a team of student organizers and volunteers, providing guidance and fostering a collaborative environment to achieve event objectives.
- Drove a 30% increase in event participation by implementing strategic marketing campaigns using diverse platforms and optimized budget allocation, resulting in enhanced brand recognition.
- Managed logistical aspects including venue booking, equipment procurement, and safety measures to ensure seamless event execution. Orchestrated diverse university activities throughout the academic year, ensuring engagement and satisfaction among students and staff.
