WORK EXPERIENCE

Eisneramper

Iselin, New Jersey

IT Technician I

Jul 2023 – Nov 2023

- Provided outsourced IT support for small to mid-sized businesses at an MSP, delivering comprehensive technical solutions and ensuring seamless IT operations tailored to diverse client needs while improving client satisfaction by proactive communication and rapid troubleshooting measured via service ticket resolution feedback
- Measured and improved cyber security infrastructure by implementing advanced security measures and continuous monitoring to strengthen defenses and reduce vulnerability to cyber attacks
- Deployed and managed technology services including Office 365, and DNS filtering to safeguard client environments
- Managed staff accounts and services using admin access through Microsoft Azure, Exchange, and Active Directory

Kumon

South Plainfield, New Jersey

Help Desk Technician

Dec 2017 – Sep 2019

- Managed and performed routine maintenance and updates for computer software, hardware, and printers, ensuring optimal performance and minimizing downtime
- Developed custom learning programs for students that requested additional assistance via Microsoft Suite
- Used Python to efficiently score student practicals and analyze performance bases on cohort

Tutor

Sep 2016 – Dec 2017

- Provided one-on-one mathematics tutoring for students ranging from elementary school to junior high in mathematics

LEADERSHIP & ACTIVITIES

USACS – Undergraduate Students Alliance of Computer Science

New Brunswick, New Jersey

Member

Sep 2019 – May 2023

- Collaborated with peers in a college-affiliated software development club to deepen understanding of course concepts and apply theoretical knowledge to practical projects

NJ Veteran Memorial - Volunteer

Edison, New Jersey

Help Desk Technician

Oct 2017 – Nov 2017

- Conducted routine maintenance, system upgrades, and repairs to prevent issues and enhance performance
- Developed and delivered easy-to-understand instruction, enabling seniors to confidently use modern technology for communication and daily tasks
