

SUVINEET SINGH

Full stack developer | Location: New Jersey, 08865 | Mobile: 732-997-2402 | Email: suvineetsingh9@gmail.com

SUMMARY:

Dynamic and results-oriented **Full Stack Developer** with 3+ years of experience in designing, developing, and deploying web applications. Skilled in utilizing Typescript, Python, SQL, Node.js, React.js, and other technologies to develop scalable solutions. Proficient in Java Full Stack development and experienced in working with AWS Lambdas and Lex. Possess strong problem-solving abilities and a commitment to writing clean, maintainable code. Thrive in fast-paced environments, meeting tight deadlines, and adapting to evolving project needs. Proficient in version control using GitHub and dedicated to staying updated with emerging technologies to drive innovation in software development.

SKILLS:

Methodology:	SDLC, Agile, Waterfall
Programming Languages:	Python, SQL, PL/SQL, C#, ASP.NET, Java
IDES:	Visual Studio Code, Jupyter Notebook, PyCharm
Frameworks:	Django, Flask, Node.JS, Express.JS, React.JS, Next.JS, Node.JS, Vue.JS, Spring Boot, React-Native
Web Technologies:	HTML, CSS, JavaScript, AJAX, XML, JSON, jQuery, Bootstrap, Restful API, Redux, SASS, Tailwind,
Database:	MongoDB, Firebase, PostgreSQL, MYSQL, Oracle DB
Version Control/Other Tools:	GitHub, Git, Jira, Docker, Figma, MaterialUI, NPM, Docker, Gitlab, Xcode, MySQLWorkbench, SEO, MS Office, Postman, AWS (Lambda, Lex), Azure, REST API, OAuth2, GraphQL, Jest, SOAP, Web Services
Operating Systems:	Windows, Linux

EXPERIENCE:

Full Stack Developer | Walmart, NJ | Jun 2023 - Present

- ⇒ Participate in Agile development processes, contributing to sprint planning, daily stand-ups, and retrospectives, promoting a collaborative and efficient working environment.
- ⇒ Implemented a RESTful API using Node.js and Express.js to streamline data exchange between front-end and back-end systems, resulting in a 20% reduction in API response time.
- ⇒ Actively participated in code reviews, providing constructive feedback and ensuring adherence to coding standards, resulting in a 20% reduction in post-release issues.
- ⇒ Led the implementation of RESTful APIs in Flask for seamless communication between frontend and backend, resulting in a more efficient and modularized codebase.
- ⇒ Implemented Next.js SSR for product pages, improving page load speed by 20% and enhancing user experience.
- ⇒ Successfully deployed several web applications, meeting client requirements and achieving high customer satisfaction.
- ⇒ Implemented server-side rendering (SSR) with React.js for improved performance and SEO optimization.
- ⇒ Collaborating with the front-end team to integrate responsive design principles using Bootstrap, ensuring a seamless and user-friendly experience across various devices and screen sizes.
- ⇒ Implemented responsive design principles and optimized applications for performance across various devices and screen sizes, leading to a 25% increase in mobile user engagement.

Software developer | Cognizant, India | Jun 2019 - Aug 2021

- ⇒ Utilized Agile methodologies to drive the development process and deliver projects on time and within budget.
- ⇒ Developed and deployed web applications using ASP.NET, C#, XML, MVC, REST, and SOAP technologies.
- ⇒ Implemented AWS Lambda functions to automate manual tasks, reducing operational overhead by 30%.
- ⇒ Enhanced data processing capabilities by incorporating NumPy and Pandas for complex data manipulations, resulting in a 15% improvement in data analysis efficiency.
- ⇒ Implemented real-time features using Node.js and WebSocket, significantly improving the responsiveness and interactivity of the application.
- ⇒ Implemented RESTful APIs in Spring Boot, achieving a 15% improvement in API response times and enhancing overall system performance.
- ⇒ Conducted rigorous performance testing and optimization measures to enhance application responsiveness, scalability, and overall efficiency.
- ⇒ Utilized JavaScript to implement client-side form validations, reducing data input errors by 15% and enhancing the overall user experience.

EDUCATION & CERTIFICATIONS:

Master's in Computer Science | NJIT, New Jersey | 2023

Bachelor of Technology, Electronics & Communications | MSIT | 2020

AWS Certified Cloud Practitioner | 2023
