

Swaroop Kashyap Tiptur Srinivasa

3801 Parkview Ln #19c
Irvine, CA 92612

swaroop.kash@gmail.com
(949) 572-9580

OBJECTIVE

To acquire a summer internship in the area of Software Development and Quality Assurance.

EDUCATION

University of California, Irvine, CA
M.S. Networked Systems

December 2012

Visvesvaraya Technological University, Bangalore, India
B.E. Computer Science and Engineering
Aggregate Score- 74/100

August 2008

SKILLS

- **Programming Languages:** C, C++, Java, SQL and PL/SQL
- **Scripting Languages:** Perl, Shell, Python, PhP, AutoIt
- **Testing and Automation Tools:** Sipp, Test Automation Tool (TAT),Ethereal, Empirix, tcpdump,STAF
- **Operating Systems:** Solaris, Linux, Cisco IOS, Windows 9x/2000/ NT/XP/ME, DOS
- **Open Source frameworks:** Apache Lucene, Hadoop, Google Map-Reduce.
- **Databases and Applications Web Servers :** TimesTen, SQL Server, JBoss, Weblogic, Apache, Lucene, Hadoop
- **Domain and Network Management:** TCP/IP, SIP, MGCP, RIP, BGP, OSPF, RADIUS, DHCP, DNS, EMS, SNMP v1, v2.
- **Testing Methodologies:** Agile, Extreme programming, Six Sigma

WORK EXPERIENCE

Senior Test Engineer

March 2009-August 2011

GlobalLogic Inc, Bangalore (Client- BroadSoft, AT&T)

- Tested BroadWorks Application feature servers involving Session Initiation Protocol (SIP) and application layer signaling and automated call processing (VOIP) features on Synergy application servers using Sipp,TAT, Empirix and STAF.
- Verified the Audio conferencing solution involving SIP as a signaling protocol and RTP/RTSP used for media server transmissions.

Software Engineer

September 2008-March 2009

Honeywell Technology Solutions Ltd (Client- Honeywell International)

- Verified the Flight management System (FMS) component in avionics involving Integration testing and Acceptance testing.

PROJECTS

Search Engine over Wikipedia

- Currently implementing a search engine to retrieve Wikipedia pages related to the query and order them according to relevance using Lucene and Hadoop.

Implementation of a Lexical analyzer/parser

- The lexical analyzer tabulates the tokens and tokens and passes it as an input to the parser (Syntax validation)

Implementation of a Graphics editor

- GUI paint editor to perform operations like draw, paint, color spray and construct objects of various shapes

Groupware for Enterprise Collaboration- Audio/Video real time conferencing

- Developed and tested a conferencing tool which facilitates Data, Audio and Video Conferencing all under the same medium of communication.

HONORS

- Awarded **The International Award for Young People by The Duke of Edinburgh** under the **Bronze** standard.
- Preliminary **Software Six Sigma** Green Belt Certified by Honeywell.
- Individual Excellence award received on three occasions for project management skills exhibited at GlobalLogic.
