

TABITHA WILSON

OBJECTIVE

Master's student in Applied Statistics (April 2026) with a B.S. in Animal Sciences. Seeking an entry-level biostatistician role to combine my experience and education.

EXPERIENCE

RESEARCH ANIMAL CARE TECHNICIAN, Alltech Inc.

Mar 2021 – Current

Worked as part of a team to care for horses, cattle, sheep, fish and chickens. Kept detailed records of animals eating habits and injuries. Fed different supplements when on trials.

PHARMACY ASSOCIATE, Hagyard Pharmacy

Oct 2019 – Mar 2021

Worked with clients, veterinarians and pharmacists to take orders and fill prescriptions in person and over the phone. Handled monetary transactions. Helped to keep track of stock.

RECEPTIONIST, Best Friends Animal Hospital, Talent

Sept 2017 – Feb 2019

Interacted with clients in person and over the phone to schedule appointments and check in and out. Helped veterinarians and technicians when needed. Helped collect medications and dispense to clients.

EDUCATION

B.S ANIMAL SCIENCES

Oregon State University
Sept 2013 – Dec 2013

M.S APPLIED STATISTICS

Michigan Technological University
Sept 2024 – Current
