Mumbai, India

July 2017 - November 2020

PROFESSIONAL EXPERIENCE

ACCENTURE

Finance Associate – Accounts Payable

Mumbai, India

July 2022 - December 2023

- Analyzed large financial datasets extracted from SAP ERP and ServiceNow to support accurate reconciliations, workload optimization, and data integrity across multi-region operations.
- Managed end-to-end Accounts Payable process, processing 45+ invoices daily in SAP ERP, ensuring compliance with policies across multiple regions.
- Performed audit checks, variance reviews, and exception analysis to proactively identify discrepancies, contributing to consistent 95%+ accuracy in reconciliations and financial reporting. Ensuring reliable financial control and strengthening vendor relationships through proactive communication.
- Designed and implemented a multi-region Excel tracker that standardized invoice terms, tax codes, and language variations across global markets, enabling faster interpretation of vendor requirements and reducing invoice processing time by 25%, significantly minimizing errors and becoming a reference tool adopted by the broader team.
- Engaged clients in weekly meetings using accurate financial reports to ensure clarity and collaboration on policy updates, successfully driving the adoption of new compliance standards.
- Recognized with two key awards, including the Star of Business Award, for exceeding deliverables through consistent accuracy and superior client management, complementing a Spot Award for quickly mastering the SAP platform.

Trust & Safety Associate

November 2020 - July 2022

- Conducted detailed audits and content reviews with 96% accuracy, applying policy and risk-assessment frameworks to ensure data integrity and reduce operational risk such as scams and inappropriate public content.
- Served as a quality-control checkpoint for compliance decisions, reinforcing adherence to strict guidelines and high-volume accuracy expectations.

NAV JEEVAN CO-OP. BANK LTD

Finance Intern

Mumbai, India

June 2019 - July 2019

- Assisted in daily banking operations, including managing term deposits and handling check clearing, while strictly ensuring accurate transactions and adherence to compliance regulations.
- Supported various accounts (cash, savings, current), emphasizing accuracy and attention to detail during transactions to maintain operational integrity and reduce financial risk.
- Gained introductory insight into the loan department's financing options, learning key factors used in credit assessments such as income, collateral, and credit history in the loan approval process.

LEADERSHIP ACTIVITIES & PROFESSIONAL DEVELOPMENT

ILLINOIS CPA SOCIETY - Member, Young Leaders' Advisory Council (YLAC)

Chicago, United States

DEPAUL UNIVERSITY

Student Employee

Chicago, United States

May 2024 - Present

- Manage front desk operations at DePaul, monitoring over 250+ residence hall door swipes daily and strictly enforcing campus policies, including fire alarm protocols, by executing swift responses to emergencies and maintaining detailed ID checks using the StarRez system.

Business Ethics Case Competition

- Achieved 2nd place by applying strong analytical thinking and structured problem-solving to evaluate a complex business case and deliver a clear, data-supported recommendation under tight deadlines.

NABA CONVENTION & EXPO 2025

- Attended the NABA Convention & Expo 2025, gaining valuable exposure to key trends in accounting, finance, and technology, while actively networking with top firms and professionals to enhance skills and built knowledge in financial reporting, analytics, and technology trends.
