PROJECTS & LEADERSHIP EXPERIENCE

Manatee Planner, *Financial Planning Web Application*

May 2025

- Developed a responsive financial planning app using React, Vite, and Node.js, with a focus on clean architecture and web best practices.
- Implemented a Monte Carlo simulation to model long-term investment outcomes and what-if scenarios.
- Designed an intuitive user interface following UI/UX principles to enhance usability and accessibility.
- Integrated a MySQL database to store user profiles, financial data, and scraped tax brackets.
- Collaborated in a team of four using Jira for agile task management and sprint planning.

Phreddit, *Fake Reddit Web Application*

December 2024

- Developed a dynamic, component-based user interface using React, enabling post creation, voting, and comment threads.
- Designed and implemented user authentication and RESTful API endpoints using Node.js, Express, and JWT to handle sessions, login, and post interactions.
- Built and integrated a MongoDB database schema to store and efficiently query user profiles, posts, comments, and votes.
- Collaborated using Git to manage version control and coordinate development.

Kaigai Idols at SBU, *Historian*

September 2024 – May 2025

- Maintained organized archives of practice footage, performance videos, and media assets via Google Drive.
- Edited and published dance performance videos for the club's YouTube channel.
- Collaborated with team members to coordinate and run large events.

Brook Con, *Head Guest Coordinator*

July 2024 – Present

- Reached out to talent, panelists and performers, to coordinate schedules, event participation, and travel logistics.
- Facilitated cost discussions related to guest appearances, ensuring alignment with the team's event budget.
- Led a small team of Guest Coordinators, delegating tasks and ensuring tasks were completed effectively.
- Maintained professional correspondence with invited guests leading up to the convention.

EXPERIENCE

CVS Health

Sales Associate

Centereach, New York

November 2021 – May 2023

- Delivered attentive and friendly customer service by assisting shoppers and resolving problems at point of sale.
- Handled cashiering, stocking, and store upkeep while organizing shelves using inventory tools for accurate product placement.
